**Date:** *5th October 2024*

**Venue:** *Dimoria College, Khetri*

**Theme:** *“Empowering Youth through Financial Literacy”*

A **Financial Literacy Programme** was successfully conducted on **5th October 2024** at **Dimoria College**, organized by the **Department of Economics**. The session aimed at creating awareness among students about essential financial skills such as budgeting, saving, banking, investment planning, and the responsible use of credit.

The programme began with a welcome address by the Head of the Department, highlighting the importance of financial awareness in shaping a secure future. Faculty members and students from various departments participated enthusiastically.

Key topics covered included:

- Basics of personal finance and financial planning
- Understanding banking services and digital payments
- Importance of savings and compound interest
- Introduction to mutual funds, insurance, and income tax
- Avoiding debt traps and financial fraud

The interactive session also featured practical demonstrations and case-based discussions. Students shared their experiences and clarified doubts, making the session lively and engaging.

The event concluded with a vote of thanks, emphasizing the need to integrate **financial literacy into everyday decision-making** and encouraging students to become financially responsible citizens.
