

## **Brief Report on Training Session by Bureau of Indian Standards (BIS)**

**Organized by:** *Bureau of Indian Standards (BIS)*

**In Collaboration with:** *Institution's Innovation Council (IIC) and Internal Quality Assurance Cell (IQAC), Dimoria College*

**Participants:** *Faculty and Students*

**Date:** *7th October 2024*

**Venue:** *Dimoria College, Khetri*

A **training session** was conducted by the **Bureau of Indian Standards (BIS)** on **7th October 2024** at **Dimoria College**, in collaboration with the college's **Institution's Innovation Council (IIC)** and **Internal Quality Assurance Cell (IQAC)**. The session aimed to promote awareness on **standardization, quality assurance, and consumer safety** among students and faculty.

The event began with an inaugural address by the Principal of Dimoria College. Experts from BIS delivered a detailed presentation highlighting the importance of Indian Standards in various sectors including industry, education, and daily life. The session featured interactive discussions, live examples, and a Q&A round which enriched participants' understanding of the role of BIS in nation-building.

### **Objectives:**

1. To introduce BIS and its mission in promoting quality and safety through standardization.
2. To familiarize students and faculty with the concept and application of Indian Standards.
3. To promote integration of standardization-related topics into academic learning.
4. To motivate youth to be active contributors to a quality-conscious society.
5. To explore collaborative academic and career opportunities with BIS.

## Benefits:

1. **Improved Awareness:** Participants understood the role of BIS and its relevance in everyday life.
2. **Curriculum Enrichment:** Faculty received insights on integrating standardization in teaching and learning.
3. **Student Engagement:** Learners explored internship and training opportunities offered by BIS.
4. **Quality Consciousness:** Participants were encouraged to be informed and responsible consumers.
5. **Professional Readiness:** Understanding of national standards helps enhance employability and industry readiness.
