1. Improving campus safety.

2. Leveraging technology for campus efficiency.

3. Creating collaborative spaces.

4. Supporting faculty development.

5. Prioritizing health and wellness programs.

6. Embracing diversity and inclusion.

Improve sports facilities and digital learning

Library

Campus facilities _ upgraded technology in classroom, improved recreational facilities , or more comfortable study spaces.

I join to a sports club

We need some computer and technologies facility and also needed more teacher

Because this college study are very good.

One improvement I would like to see in the college is the enhancement of practical learning opportunities. While theoretical knowledge is important, more hands-on experience through workshops, internships, field visits, and updated lab equipment would help us understand our subjects better and prepare for real-world challenges. Additionally, I believe improving the college infrastructure—such as smart classrooms, Wi-Fi access, and library resources—would create a better learning environment. Encouraging student activities like seminars, career counseling, and skill development programs would also contribute to our overall growth.

We need more rooms for students.

Discipline

I would like to see several improvements in the college to enhance both academics and student life. Firstly, better infrastructure like modern classrooms, well-equipped laboratories, and a more extensive library would greatly benefit students. Secondly, regular workshops, guest lectures, and skill-development programs could help students prepare better for future careers. Improving sports and cultural facilities would also encourage overall development. Lastly, I feel there should be more focus on digital resources and student feedback systems to ensure continuous improvement in teaching and administration.

Auditorium whit air conditioning facilities

Drinking water

Clean toilet , make the expense of canteen food less , clean girls common room

Roll

Strengthening communication promoting mental health resources, upgrading technology, fostering collaboration and prioritizing diversity

Academic improvement

The improvement i would like to do see in the college was study

Enhancing Faculty Quality and Development

College garden and students sitting place

Our college campus is very dirty

Improve sports facilities and digital learning

i) We concerned about our college toilet because it's very unhygienic and very dirty we request to the assistant to take care of it everyday because it's a student toilet

ii) we concerned about our class also because it's not regular and we are in 2nd year it's our final year we proper explanation from the teacher because we can't learn all the syllabus by ourselves so, please take care of

Dimoria college

NILL

What improvements would you like to see in tha college

The college should be the most attractive

Union members should dress up like dck students most of them come in back dress in college and toilet should clean there have so bad smell and in zoology dept in there some chemical and instruments are needed for 3rd sem practical those are not available in the lab so we found difficulties to understand practical

Campus facilities - upgraded technology in classrooms, improved recreational facilities,or more comfortable study spaces.

Environment

Extracurricular activities like sports ,music ,dance competitions

The Coman room should be clean and they are should be juice ice cream than nice food in the canteen and their should be a free WiFi system

Auditorium with air conditioning facilities and acoustic design, flexible seating, stage lighting.

I want to see clean on the playground in college

Good education

I think the gate is open for every one ,because some time our class are cancelled but gate was closed till 2 pm .That time I get bored and Feel hungry so we want the permission to go home earlier if there is no class.

I want to see places to sit After class there was no place to sit

I would like to see more practical learning opportunities and interactive sessions in the college . Improved infrastructure and better access to resources library and labs would also enhance the learning environment.

I want to see collage onlain portal system improvement

.

Clean classroom

Health center

Toilets need to be cleaned more properly and academic improvement could be done more

the college gate should be open anytime no need to closed till 2 pm

Specially invest on college playground

I would like to professors behaviour

To improve academic education.

Clean the toilets, specially male toilets.

It feels so good to read books in a quiet library

The college improvements in dance practice, sports, ect...

Study

No need

Auditorium with air conditioning facilities and acoustic design, flexible seating stages lighting

Everything okay

The whole campus of our college is dirty, tobacco, gutka etc. should be stopped, and the whole
campus should be cleaned well. It is very dirty. The class room is much smaller than the

number of students.

The compass also needs to be clean, where it is filled with plastic .

Campus facilities_upgraded technology in classrooms, improved recreational facilities,or more comfortable study spaces.

Education and campus management

nothing

Infrastructure

Students shouldn't bring intoxic staff like shikar etc and the toilets aren't clean instead filled with red shikar saliva paints.

College should be clean.boys common room needed.clean toilets needed.no handwashes in toilets

Strengthening communication promoting mental health resources, upgrading technology, fostering collaboration and prioritising diversity

Clean Class room because most of room are not clean

I would like to see a boxing training or martial arts training in the college with a well developed training centre .

I would like to see several improvements in the college to enhance both academics and student life. Firstly, better infrastructure like modern classrooms, well-equipped laboratories, and a more extensive library would greatly benefit students. Secondly, regular workshops, guest lectures, and skill-development programs could help students prepare better for future careers. Improving sports and cultural facilities would also encourage overall development. Lastly, I feel there should be more focus on digital resources and student feedback systems to

ensure continuous improvement in teaching and administration.

Discipline and cleanliness

Our college should be improved by others. I need to build the swimming pool in our college.

College should more sincere about their Cleaningness of their environment.

Please keep our college clean

We want Clean bathroom

Clean the college campus and repair the building's

install more dustbins and promote eco friendly practices and Cleanliness including girls common room

Campus facilities _upgraded technology in classrooms,improved recreational facilities ,or more comfortable study spaces .

Education development

Campus facilities _upgraded technology in classrooms,improved recreational facilities,or more comfortable study spaces.

Not sure

The improvement I would like to see in our college is that the college gate should keep open during the college hours for outgoing/incoming as we had our free subject.
_____ Thank you

No

No watchman needed in the gate students should be allowed to do classes accordingly to their will.

Discipline maintain

Fresh water
