Best Practices

Dimoria College, Khetri

Kamrup (M), Assam, PIN: 782403

1. Activities through the N.S.S Unit (National Service Scheme)

- Objective:**
- To help the students in understanding the community in which they work .
 - To help the students in identifying the problems of the community and involving them in solving the same.
 - To develop leadership qualities, democratic attitude and social harmony amongst the students.
- Context:** With the aim of developing personality and the much needed qualities of democratic citizenship amongst the students, the college has opened up the NSS Unit. This Unit is one of the active Units in the college since its establishment in the year 1985.
- The Practice:** The NSS Unit of Dimoria College has been organising various kinds of activities throughout the year. The present Programme Officer of NSS Unit of the college is Anup Dutta Baruah, Assistant Professor, Dept. of English. The following are the list of programmes organised by the NSS Unit :
- Environmental Awareness Programme
 - Programme on Drug Abuse
 - Blood Donation Camp
 - Tree Plantation Programme
 - Anti Tobacco Campaign
 - Mask Distribution during Pandemic
 - Paper Bag Making Training
 - Cleanliness Drive
 - Sanitation and Hygiene Programme
- Evidence of Success:**
- The NSS Volunteers have been trained in life skills, leadership skills and personality development.
 - Students have got the opportunities to participate in various State and National level camps.
- Problems:** Infrastructure related problems.

2. Awareness Programmes

Objective: To aware the teachers and students regarding social, health, educational, environmental issues.

Context: Making the teachers and students aware of the issues related to society, environment, education, hygiene and a to create a friendly, healthy and safety niche for the women inside the college campus.

The Practice: The following awareness initiatives happened during the period

1. Towards Environmental Awareness :

- Initiatives taken to make the campus tobacco free and plastic free.
- Plantation of trees having medicinal values.
- Spreading medicines to make the campus dengue free, malaria free.
- Towards electricity consumption :
- Switching off the lights and fans after class.
- Awareness towards education :
- To provide free education to the local tribals nearby college.
- Distribution of books to the needy ones.

2. Hygiene awareness :

- Cleaning the campus under 'Swacch Bharat Abhiyan'
- Proper sanitation
- Safety precautions towards the females :
- Creating a friendly and healthy atmosphere for the female folks inside the campus.

Evidence of Success: Many programmes have been organised to bring such awareness to the college campus.

Problems: Funds and infrastructure
