

**2020-21**

**Best Practices**

**Dimoria College, Khetri**

Kamrup (M), Assam, PIN: 782403

**1. Online Education**

**Objective:** To make the teaching-learning process accessible and flexible during pandemic.

**Context:** Making online education feasible with the upgraded technologies and software

**The Practice:** Considering the present pandemic scenario online learning has evolved globally. This mode of learning is through the internet medium which has made the learning process more simpler and smoother during lockdown. With the help of upgrade technology and software, learning and teaching process has become accessible to all the users. In e-learning, the students study from home or any other place according to their convenience. They can acquire learning materials to online medium which include texts, audio, notes, images, videos. Conduction of assignments, projects, examinations are done through the college online portal.

**Evidence of Success:** All the classes, assignments, projects have been conducted through the college online portal.

**Problems:** Since our institution is situated in the countryside, the financial standard of the locality is average. Some of the students cannot afford mobiles and online facilities, considering the network.

## 2. Cultural Procession

- Objective:**
- To show unity in diversity through culture and tradition.
  - To show the rich culture in folk and classical fields.
  - To develop cultural competency amongst students.
  - To make awareness of local customs and traditions.
- Context:** In order to make the students well aware regarding the various Cultural aspects.
- The Practice:** Every year during College Week, Cultural Procession has been practised by the students of the College. Themes related to different cultural aspects are presented during the Cultural Procession. Themes like Assamese Wedding, Bhagavat Yatra, Traditional Dresses, Festivals like Bihu, Durga Puja, Holi, Natural Resources of Assam and its Culture, Gender Issues, Effects of Mobile and Internet, Awareness against the Use of Drugs, Life cycle of a Girl, Awareness on Avoiding on the Use of Plastics, Rural Economy etc are presented during Cultural Processions.
- Evidence of Success:** Photographs taken during the Cultural Programme and Certificates presented to the students who have participated in Processions.
- Problems:** Financial Issues.
