turns helps to grow a community as a whole. library is a store house of knowledge that have been chosen with utmost care. It manages the resources systematically so that it can be used by the user effectively without losing their precious time. The central library of Dimoria College, Khetri comes into existence in 1979 with the inception of the college itself. It is an integral part of the teaching learning endeavors of the college. Since its inception, it tries to inculcate positive thinking and hunger for knowledge among the student community. The library has almost 24,000 titles in their collection, which caters the need of the students and the teaching and non teaching community of the college.
