

QUARTERLY

NEWSLETTER

Dimoria College (Autonomous)

Editorial

It gives me great pleasure to present the first issue of our College Quarterly Newsletter, released on this special occasion of the Foundation Day of our Dimoria College (Autonomous). This publication is dedicated exclusively to showcasing the events and activities of our college, capturing the energy and enthusiasm that define campus life.

Through this newsletter, we aim to preserve memories of our collective efforts and provide a platform to celebrate the accomplishments of our students and faculty. I hope it will serve as a record of our journey and inspire greater participation in the days ahead.

I extend my sincere thanks to the editorial team and all contributors who have made this initiative possible. May this newsletter grow into a cherished chronicle of our college events and achievements.

Dr. Mahananda Bora
Principal & Editor-in-Chief.

Dimoria College at a Glance

With 22 full-fledged departments (in Arts and Science stream) which run 22 Undergraduate courses and 4 Post-Graduate courses, Dimoria College is the torch bearer of higher education in this tribal Dimoria region which is considered as an economically and socially underprivileged tribal belt block. Dimoria College is the brainchild of a group of highly motivated social entrepreneurs who in the seventies dreamt of bringing the of higher education to this relatively underdeveloped tribal belt area Dimoria. Led by the indomitable teal of patrons of learning like Late Padmakanta Deka (Founder President), Late Santa Ram Deka (Founder Secretary), Late Prasanna Deka, Late Gopinath Sarma, Late Krishna Kanta Bhuyan, the people of Dimoria started a public campaign for the establishment of a College. With such effort and zeal, Dimoria College was established on 29th August 1979. Surrounded by a lush green environment, Dimoria College beholds a unique signature of captivating a sustainable ecosystem within its campus. Many valuable trees and medicinal plants present in the campus make Dimoria one of the only colleges in the region to have such a green and pollution-free campus. Along with it, the campus also holds a pond which comprises of rich aquatic flora and fauna making it one of the most beautiful natural campuses in the region.

The college was conferred Autonomous Status in September 2024 under the provisions of the National Education Policy (NEP) 2020. This significant milestone has enabled the institution to design a flexible, student-centric curriculum that integrates academic excellence with holistic development. In line with this vision, the college has introduced a range of enriched co-curricular activities aimed at fostering creativity, critical thinking, and essential life skills. The first two Semester Examinations under Dimoria College (Autonomous) were conducted smoothly and transparently, ensuring timely declaration of results and steady academic progression. From the Academic Session 2025-26, the college has fully adopted and implemented its own curriculum under the autonomous framework.

TRIBUTE TO ZUBEEN GARG

On behalf of the fraternity of Dimoria College (Autonomous), Khetri, we offer our heartfelt tribute to Zubeen Garg for his immense contributions to the cultural and social life of Assam and beyond. Through his music, he has given voice to the emotions, aspirations, and identity of the people, enriching Assamese art and carrying it to wider horizons. His dedication, fearless creativity, and deep connection with society continue to inspire generations. We reaffirm our commitment to follow the path of his kind-heartedness, social responsibility, and tireless working spirit, upholding the values he so passionately embodies.
