NOTICE

08-07-2024

It has come to the notice of the **HS I Year Admission Committee** that a few students applied in the **Arts Stream** of the College for the session 2024-25 still not accepted the **Admission Offer** of the College. In view of the shortage of seats those students are admitted in the HS I Year class through the College Portal. But it is important to accept the admission offer of Dimoria College in **DARPAN** Portal. Therefore, the students are asked to accept the admission offer of Dimoria College in **DARPAN** without delay.

Non-acceptance of Admission Offer in **DARPAN** Portal may vitiate in the process of **AHSEC Registration**.

It should be noted that the Admission Committee shall not be responsible for any undue happenings due to the non-acceptance of Admission Offer by the students.
